Some Business Men Think

That whenever it is necessary to use printing of any kind, the cheapest possible kind that can be had "answers the purpose," and saves them money.

On the same theory they would save all the money by not having any printing done at all.

CHARGED WITH LYCING.

Several Respected Citizens, of Welch, W. Va., Arrested.

Welch, W. Va., Feb. 22.—Eli Robins, Charles Martin, Tom Nicowander, James Nicowander, Add Harmon, William Nelson, and George Carter, were arrested by Sheriff White, of Mercer county, and lodged in jail at Princeton. They are charged with complicity in the lynching of William Bailey, the negro ex convict who murdered Watchman Harry Draper, and East End Tunnel, and was the same night lynched at Bramwell.

The prisoners were indicted Saturday on information furnished the grand jury by two negroes—Gratt Fowler and Ernest Nelson—who followed the mob. The men arrested all belong to the Norfolk and Western bridge force, and are respected citizens. Their trial will come up at the present term of the circuit court. Sensational developments are looked for. Talk is strong against the parties who made the indictments.

OVERSTREET & THURMAN.

HAMILTON ON TRIAL.

Accused of Attempting to Wreck a Chesapeake and Ohio Express.

Fairfax, C. H., Feb. 22.—The trial of Robert J. Hamilton, who is under indictment for attempting to wreck a Chesapeake and Ohio express train at Ravensworth Station on the night of December 28, by opening a switch, began in the county court this morning. The case is exciting a great deal of interest, and the courtroom was crowded all day.

Attorney R. W. Moore has been retained by the railroad company to assist Commonwealth Attorney C. V. Ford, and the defense is conducted by Attorneys E. E. Meredith and Bankhead Thornton, of Manassas, and R. E. Thornton, of this place.

The principal witnesses were Frank Larmand, engineer on the Southern express; W. E. Fowler, engineer of the Chesapeake and Ohio train; and W. A. Fleming, a porter on the same train. Their testimony traversed the facts in the affair as published at the time of the accident, adding little that was new. It was, in brief, that the track was clear until nearly midnight, and that Hamilton was seen running about.

PROMPT PAYMENT OF LOSSES.

CONSCIENCE AND BUSINESS

Should be wedded. A business that has no conscience in it is filled with fakes, frauds and other abominations. We are striving to give our people the very best values obtainable. We give quality first place. We buy our goods for less than the usual market value and we give our customers the benefit of the difference BECAUSE IT'S RIGHT.

READ WHAT WE SAY in our ads.; then compare our claims with our goods.

CORSETS.

There's a world of corsets made just to sell—not to wear. You get little service, no comfort and much annoyance. It's important that your corset is purchased from a house of undisputed reliability.

P. D. Corsets are made in France, we have them, and there's luxury in them, \$1.50, \$2, \$2.50 and \$3.

P. D. Empire Corsets. Empires are very short, you know; once worn, all others are discarded, \$2.

Dr. Warner's New "No. 67" Empire Corset; all Warner's have "Coraline" in them, and that don't break, \$1.

Dr. Warner's Celebrated "Health" Corset; health means wealth, \$1.25.

Dr. Warner's Eclipse Nursing Corset, it costs but \$1.

C-B Corsets, if you haven't tried C-B you should—there's a good round dollar's worth of wear in them, leaving out the other features of goodness—all for 75 cents. White, Drab and

Fast Black.

"Majestic" Corsets. Queens might wear them with impunity, perfectly modeled, white, drab, black, 50c.

Every woman in the land can inhabit one of these. Strong, durable, perfect fitting. Made in white, drab and ecru equal in every way to 90 per cent. of the 50c corsets, 39c.

WHITE GOODS.

The best time to buy White Goods is when they are sold cheapest and when you have time for sewing. The month of February supplies the condition and the season.

Just put on sale, one case white checked Dimity in the small corded checks. You'd hardly expect such quality for less than 10c, but they are going for 6 1/2c.

Another case finest Long Cloth has just been opened and will be distributed this week for \$1.37 1/2 a piece of 12 yards.

Thirty pieces White Striped

Dimity will go this week for 8c, regularly 10c.

Another special is a fine English Nainsook, put up in 12-yard lengths, 36 inches wide; at \$1.35, the established value is \$1.50.

White Organdie, 67 inches wide, specially desirable for ruffled curtains, worth 25c, we cut off the 5 and make it 20c.

Three strong values in fine India Linens—we want you to see them, 12 1/2c, 15c, 17c.

We have another box of 40-inch Curtain Swisses in dots and figures, 10c.

A case of excellent Lonsdale Cambric, full yard wide, at 8c a yard. Get some of this.

Nainsook Checks, the same excellent quality that we sold last season, for 12 1/2c, now 10c.

WASHABLE FABRICS.

In buying Wash Goods the main thing is to get goods that will wash.

We try to do this, get left sometimes though. As a rule our wash goods will wash.

We are showing a fine Zephyr Gingham in the new plaids—block plaids and Scotch plaids at 12 1/2c.

The rarest of the 1898 English Percales are here, abundance of them, 12 1/2c.

Case Spring Styles Outings in perfect short lengths, 5c, worth 8c.

The new Arabesque Prints for spring are choice, highest class prints, 5c.

"Paint things red" about your home—get your wrappers of our lovely Turkey Red prints, we have the choicest printings, 5c.

This week a big lot of Percale Remnants, 1 yard and upwards, a 10c cloth, 5c a yard.

RIBBONS.

A great show of New Ribbons, just the latest ideas, and the very choicest of them.

There's danger of your paying too much for Ribbons if you don't get them here.

The new "Bayadire" Plaid Taffetas, 3-inch, 19c.

Shepherd's Plaid Tie and Belt Ribbons to match, the latest idea, 10c and 15c.

Beautiful Plaid Taffetas, with cords of satin, 3 1/2-inch, 30 cents.

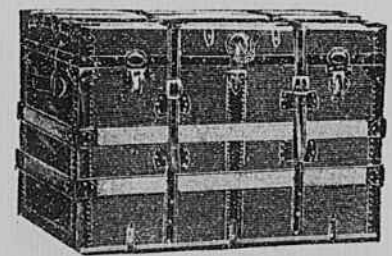

The "Bird's-eye" Brocades, 34-inch, 19c.

Exquisite "Bayadire" Taffetas, 5-inch, 50c.

Fine Taffetas, with graduated Satine Stripes, 5-inch, 42c.

A pretty ribbon Taffeta, with Satin Stripes, interrupted by naughty little dots, 3 1/2-inch, 25c.

Plaid and Striped Ribbons for Sashes, 7 to 9 inches, \$1.

This cut means that we want you to bear in mind that we sell Trunks.

If you are going to buy a trunk why not buy it here. We have more trunks than all other local dealers combined. We sell them for decidedly less money, and that's no joke.

We deliver them and have them put in your room free. We print your name in plain, unmistakable letters on the trunk free—everything's free but the trunk.

They range from \$1.68 for a pretty good sort of a trunk, up to \$13 for the most royal sort. That means about \$2.25 up to \$18 among the other dealers.

AND BAGS—well, when it comes to the price, we beat the man that made 'em.

A right fair Bag for 33c—something decidedly better for 75c to \$1.50. Then again at about \$2 to \$4 you get something capital—when you reach those that range \$6 to \$10 apiece they are simply out of sight. Come and see the lines.
